

May 9, 1973

SENATOR CHAMBERS: I move that the bill be advanced to E&R initial.

SPEAKER: Any further discussion? We'll have a machine vote. Those in favor of advancing LB 560 vote aye. Those opposed vote nay. Senator Whitney voting aye. Have you all voted? Clerk will record. (Machine shut off?). LB 560 is advanced. The Clerk will read the title to LB 561.

CLERK: Machine shut off. (mike off) (reads) LB 561

SPEAKER: Senator Chambers.

SENATOR CHAMBERS: Mr. President, I think this might be the bill that Senator Kelly is interested in, on page 4, well anyway, it says that the elector shall be the person who resides within the corporate limits of any municipality on or before election day therein and who, in addition thereto, is a registered voter. So if you're there on or before election day, that's the only residency requirement and that is what this particular bill deals with. Were there committee amendments? Oh, then I move that LB 561 be advanced to E&R initial.

SPEAKER: Any discussion?

SENATOR CHAMBERS: If there are no additional questions, I don't have any other comments.

SPEAKER: Okay. By machine vote, those in favor of advancing LB 561 vote aye. Those opposed vote nay. Senator Whitney voting aye. Have you all voted? Clerk will record.

CLERK: (mike off, inaudible).

SPEAKER: LB 561 advances. Clerk will read the title to LB 562.

CLERK: Reads bill. LB 562.

SPEAKER: Senator Chambers.

SENATOR CHAMBERS: Mr. President and Members of the Legislature. Before I make any motions, this is the real bill of the entire package. It's 126 pages long. It contains many provisions. There were committee amendments. I will first move that the committee amendments be adopted.

SPEAKER: Any discussion on the committee amendments? We will have a voice vote. Those in favor of adopting the committee amendments vote aye. Those opposed say no. Committee amendments are adopted. Senator Chambers.

SENATOR CHAMBERS: Since this bill is voluminous and does a multitude of things, I hope that maybe you had a chance to look at the resume of LB 562 and if there are questions or comments you'd have about particular portions of it, I wish you would ask. I'm not going to attempt to explain the whole bill. In fact I probably couldn't line by line, word by word.

SPEAKER: Any questions of Senator Chambers? Senator Stromer.

SENATOR CHAMBERS: I just have one comment I'd like to read from the Secretary of State.
